About us

BigCity covers all a working professional's needs. Among the common spaces you will find study rooms, co-working and lounge areas, a gym, a games room and TV areas, and an incredible rooftop to rest and hang out with friends. All these vibrant spaces are ideal for interacting with other residents and creating a very strong sense of community.

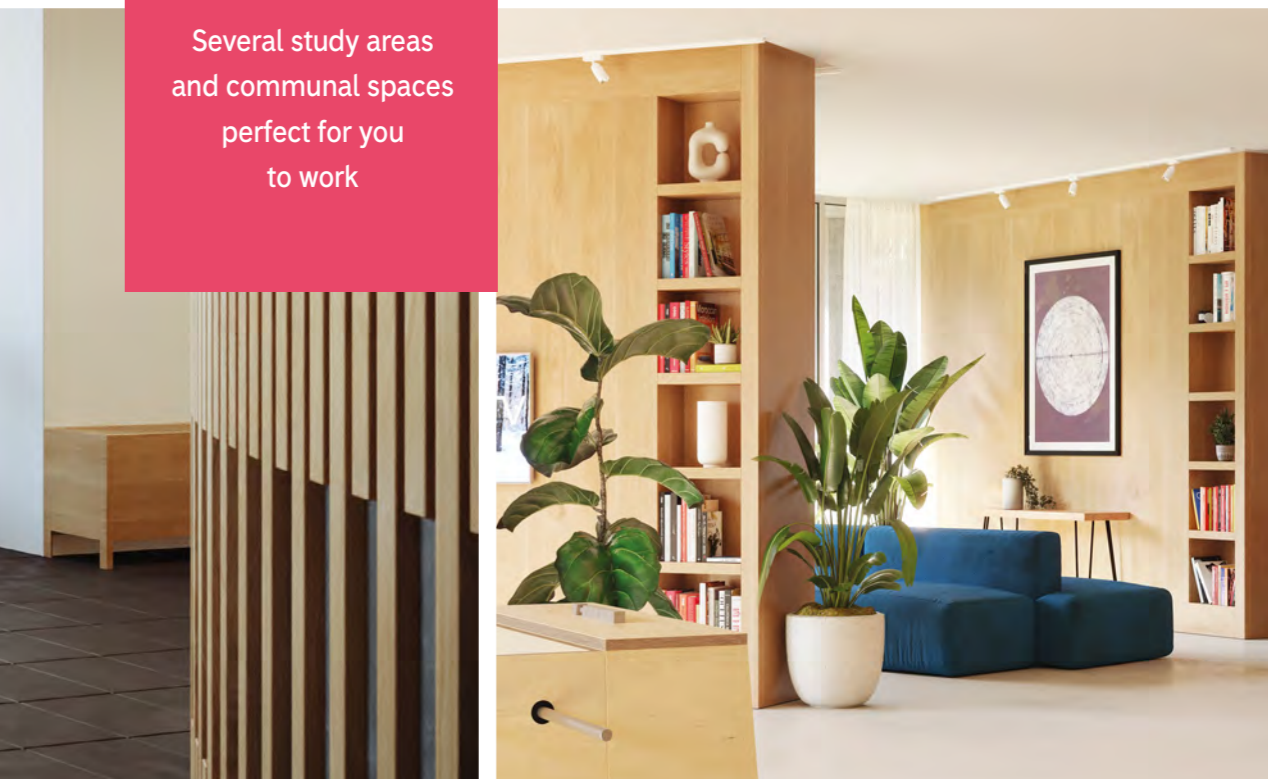

An exclusive rooftop terrace to relax after a long day

Modern communal areas to catch up with other residents

Several study areas and communal spaces perfect for you to work

A free on-site fitness centre for a healthy body and mind

See where you could be living...

BigCity has a room to match every working professional's needs. All rooms are fully furnished to a high standard with private en-suites, a private balcony, a kitchen, a desk, chair and lots of storage.
